Profile

The latest addition to the family of Israel cricket clubs, Rishon Le-Zion, is based on a small but committed group of players. The foundations of the team were laid when Yonni Sidelsky met Yossi Singh and his three sons in the parking lot of a local supermarket, a somewhat surprising setting for a cricket practice. Using every contact they know, and bringing in some local youth, enough players were found to establish a team, which officially joined the ICA league in 2005.
